

EXTENDED SERVICES

Video Production

A. Training

We will consult, write scripts, storyboard and produce for you training productions. You are included all the way in the planning and production stages.

We require a contact point for each job, and upon shooting, a member of your company to accompany us throughout the production schedule.

As a general rule, \$1000 per finished minute is good yard stick to measure costs. (A 5 minute, 30 second video would cost \$5,500) Contact for full information.

We can output to VHS tape, Digital format: DVD, Quicktime or Windows Media

B. Large screen magnification

In large conference halls, we can provide image magnification and recording services (Access to room prior to event)

There can be numerous configurations, "standard" could include camera, computer, and a VCR output for magnification. If we output more than one source, then it will require mixing. There are also audio considerations. Call for estimate

Often, there are breakout sessions; we can record one of those sessions as well. \$100 per session hr, Editing extra (item 13)

C. PowerPoint to video

Convert your PowerPoint to video: add narration, you control the pace! \$50 hr studio time. One hour minimum. 1 VHS or DVD or CD included

Digitizing

- o Digitize your slides
- o Digitize your photographs

Bring in your 35MM slides or photos, and we can digitize them for you. We can even put them in a PowerPoint for you. We'll burn them to a CD for your archives.

\$20 hour, one hour minimum. 1 VHS or CD included

Video Dubbing

- o Make copies of your academic use only VHS tapes. You supply the tapes, \$1 a dub

The Following rates based on the following;

- a. Events occurring between the hours of 8-5 M-F.
- b. Weekend technician on call rate add \$25 hr
- c. Weekend rates add \$5
- d. Event Scheduling priorities
 - i. University needs
 - ii. City/county agencies
 - iii. Other government and public education needs

Other requests will be treated as first come, first serve basis.

The university reserves the right to change room assignments and cancel reservations and refund fees paid, where appropriate, when University priorities require.

"Editing" is defined as any change (insertion, deletion, or modification) to the original recorded source.
